Security: *The Tenant shall take all precautions necessary to protect any person coming into the Hall or upon the premises during any time of possession, use or misuse of the Hall by the tenant or any other person acting under the authority of, guest of, agent of employee of or in concert with the tenant from injury, and when necessary, to keep signs posted and persons posted so as to properly protect such persons. The Tenant shall comply with all building and sanitary laws and all state, county, and township rules, ordinances, and regulations.*

Property: *The Tenant shall be responsible to pay for repair of any damage, other than ordinary wear and tear, caused to the Hall while being used by the tenant or any other person acting under the authority of, guest of, agent of, employee of or in concert with the tenant.*

The person or organization signing this agreement as the Tenant shall be the person or organization obtaining and providing general liability insurance.

Possession: Wells Township shall provide the Tenant access to the Hall the evening before their rental for decorating and storing food only. The parties agree that access to the Hall must depend on availability of the Hall and Wells Township agrees that access to the Hall shall be provided to the Tenant no later than the entire day of the rental day. If the Tenant can decorate and store food the evening before their rental day, then the Tenant shall get insurance coverage for both the day before and the day of their rental day. If this shall happen, all rental fee and deposit will be returned.
